

Cheryl F. Campbell

Ms. Campbell is a corporate director and has 35 years of energy experience in midstream, interstate pipelines and utilities. She currently serves on the board of Pacific Gas & Electric (PG&E), where she is Chair of the Safety & Nuclear Oversight Committee as well as a member of its Sustainability & Governance Committee. She also serves on the boards of Summit Utilities, as Chair, and JANA Corporation. She is involved in non-profit board work serving on the National Association of Corporate Directors (NACD) Colorado chapter board.

Ms. Campbell previously served as a Senior Vice President, Gas, with Xcel Energy (utility supplier of electric power and natural gas service operating in eight states). During her 13-year tenure there, she developed industry leading gas integrity and risk management programs, improving regulatory returns and overall operating, environmental and safety metrics.

Ms. Campbell also served on the U.S. Department of Transportation's Gas Pipeline Advisory Committee providing guidance to the Secretary of Transportation on pipeline safety regulations, and testified before a congressional subcommittee on pipeline infrastructure safety.

In 2019, Ms. Campbell was awarded the Natural Gas Leadership Award from the American Gas Association and was named one of the Top Women in Energy by the Denver Business Journal in 2014.

Ms. Campbell holds a Master of Science degree in finance, with a minor in management, from the University of Colorado at Denver, as well as Bachelor of Science degrees in chemical engineering and business from the University of Colorado at Boulder.

TC ENERGY

We are a leader in North American energy infrastructure, spanning Canada, the U.S. and Mexico. For over 75 years, we have proudly connected the world to the energy it needs. Every day, we move more than 30 per cent of the natural gas used across the continent and connect LNG exports to global markets—powering communities and industries. Complemented by strategic ownership and low-risk investments in power generation, our infrastructure delivers affordable, reliable and sustainable energy across North America.

We carry forward a legacy of nation-building energy infrastructure and strong partnerships. By working with communities, businesses and leaders across our extensive energy network, we create opportunities today and for generations to come.
