

Dheeraj “D” Verma

Mr. Verma is currently a Senior Advisor to Quantum Energy Partners (Quantum), a private equity firm focused on the global energy sector. He served on the Executive and Investment Committees of the firm from 2008 until 2021 and was also the President of the firm from 2017 through 2021. As part of his responsibilities, Mr. Verma also served as a director on several boards of private energy companies controlled by Quantum.

During his time with Quantum, Mr. Verma was responsible for investing and then stewarding significant institutional equity capital across the energy value chain, including in the upstream, midstream, oilfield services, power generation, renewables, technology and energy transition segments of the industry. He was also actively involved in investing in and helping build some of the largest private equity backed energy companies in North America. Among many other responsibilities, he was also one of the key architects of the firm's ESG strategy and oversaw the firm's operational efforts and reporting in this regard.

Prior to joining Quantum, Mr. Verma was a senior member of J.P. Morgan's Mergers and Acquisitions group in New York from 2001 through 2008 and advised various public and private companies (including electric and gas utilities, renewable/conventional power generators) on strategic and financial transactions.

Mr. Verma has a B.A./B.S. in Mathematics and Finance from Ithaca College and a Master's in International Management from Thunderbird School of Global Management.

TC ENERGY

We are a leader in North American energy infrastructure, spanning Canada, the U.S. and Mexico. For over 75 years, we have proudly connected the world to the energy it needs. Every day, we move more than 30 per cent of the natural gas used across the continent and connect LNG exports to global markets—powering communities and industries. Complemented by strategic ownership and low-risk investments in power generation, our infrastructure delivers affordable, reliable and sustainable energy across North America.

We carry forward a legacy of nation-building energy infrastructure and strong partnerships. By working with communities, businesses and leaders across our extensive energy network, we create opportunities today and for generations to come.
